Greetings from the President-Elect!

I hope that you have all recovered from the busy spring and got some much-needed R & R over the summer!

This fall, MSACROA is proud to be hosting our Annual Conference and Meeting at the Radisson hotel and Conference Center in Valley Forge, PA, November 28-30. Our conference theme this year is "Making Connections." We make connections in our work life every day. These connections can be between people, between offices, our third party vendors, and even other institutions. We would like to celebrate those connections, showing how by fostering those connections, we become

stronger as individuals and as teams.

We've received many great session proposals for the conference. But, I wanted to let you know that you have not missed the deadline to submit a proposal. I invite you to share your experiences, whether giving examples of great connections you've made or by simply sharing some practical innovation from which your colleagues may also be able benefit. Visit <http://www.msacroa.org/> to submit your proposal!

Please watch your email later this summer for registration details. Enjoy the summer and I hope to see you in November!

Sincerely,
Michael E. Maysilles

Message from the Past-President

Greetings from Pittsburgh! It is hard to believe that it has been over six months since we were together in Dover, DE. As planning for the 2016 conference continues my duties on the Executive Committee are beginning to draw to a close but not before one last important responsibility is completed. As Immediate Past-President I chair the Nominations and Elections committee which is tasked with creating a slate of candidates for the vacant officer positions as well as identifying four nominees for the two vacant positions on the Committee for Nominations and Elections.

In mid-June all paid members of the organization received an e-mail asking for nominations for the vacancies. The committee accepted nominations through July 15th.

Nominations for Honorary Membership were also to be submitted at this time. To be eligible for honorary membership, a person must

met the following minimum criteria:

1. Have been an active member of the Association for at least five years.
2. Have made substantial contributions to the
3. Association and its members through service as an officer, committee member, or participate in the program of the Annual Meeting.
4. At the time of the election, the nominee is no longer active in the activities of the profession or region.

Submissions for honorary membership should include justification for the recommendation.

Respectfully,
Patti

News from the NJ-NY ACRAO President

Hello to all of my MSACROA colleagues!

I hope you all enjoyed the summer, and are looking forward to the joys of the fall semester like the MSACROA, and the NJ-NY ACRAO conference! I certainly am!

Our Steering, and Executive Committees of NJ-NY ACRAO are working diligently to produce another exciting conference program covering new and interesting sessions, including “Navigating the World of VA from an Educator’s Perspective” by NJVPA President, and “Violence Prevention & Response Training for Higher Education Professionals” by the Executive Director of the Violence Prevention Agency, as well as returning favorite sessions on FERPA, and technology.

In today’s economy, with tight budgets and busy schedules, our one day conference is an excellent way to get a full day worth of valuable professional development, and network with your fellow peers. So please make plans to join us at the New York Medical College, 13 Skyline Drive, Hawthorne, NY 10532 (20mins from NYC), on Thursday, November 3rd. As always your registration includes a continental breakfast, and lunch. Session presenters (one per session, if two presenters) receive complimentary registration! I look forward to seeing you all there!

Warmest Regards,

Rajeev Jayadeva
President, NJ-NY ACRAO
